

PaeCH Early Career Researcher Travel Awards

[The Imperial Centre for Paediatrics and Child Health \(PaeCH\)](#) is delighted to offer up to 4 travel awards for early career researchers.

These awards are up to £500 each and are designed to enable **early-career clinical and non-clinical researchers working in child health research** to attend a national or international scientific meeting.

All applicants must be actively involved in the research and be the **presenting author** of an abstract that has been accepted for presentation at the meeting.

The award is to contribute towards the costs of registration, accommodation, and travel.

Early career researchers are defined as:

- not in a substantive clinical consultant post
- those who have NOT yet established an independent research group if they are post-PhD

To apply:

1. Please complete the application form and return **an electronic copy of your application together with your accepted abstract(s) by e-mail to paech@imperial.ac.uk**
2. If your application is successful, you will be asked to write a report of your conference experiences and how the award was of benefit for our website. ***Winners must acknowledge PaeCH support in any presentations, posters, press releases, news articles, announcements etc. related to their accepted application/abstract e.g. by displaying the PaeCH logo.***
3. Deadline for applications: **10 June 2024 5pm**
