# The Staff Recognition Awards and Imperial Garden Party 2023

Celebrating the achievements  
of our community

Thursday 6 July 2023

# Welcome.

## Welcome to the annual Staff Recognition Awards and Imperial Garden Party.

On this special occasion we recognise and celebrate our staff and students for their vital contributions to Imperial and our community.

It's a joy to honour the recipients of the President's Awards for Excellence, the Garden Party nominees, the Provost's Awards for Excellence, the Julia Higgins Awards, and the Student Union Awards. These are nominations by peers and colleagues to appreciate each other's achievements.

We thank our staff and students who have taken on new challenges, generated new knowledge and technologies, championed our values and provided excellent service. As you read their achievements in this booklet, I am sure that you will be as impressed as I am by the many ways they make Imperial an exciting place to study, a rewarding place to work and a world leading institution.

Congratulations to everyone honoured and thank you to those who took the time to nominate an excellent colleague. Your dedication and community spirit inspires others, and I am proud to be your colleague.

## Thank you to our Student Ambassadors

The extraordinary students who take on the responsibility of becoming Student Ambassadors are an essential part of the Imperial community. Our ambassadors represent the College at Open Days, lead on campus tours, greet delegations of international visitors, blog about their experiences and give student life talks in schools. They help us to connect with visitors and inspire our future students.
