## Imperial College London

## Notes

These statistics are the latest available and an element of judgement has inevitably been involved in selecting and presenting the figures. They cover various periods and comparisons should be made with care. Numbers have been rounded as appropriate.

The College has merged with several other institutions during the recent years as detailed below. This may explain some of the variations in the data comparisons.

- Wye College - merged on 1 August 2000.
- The Kennedy Institute of Rheumatology - merged on 1 August 2000.

Financial data are for the year ending 31 July 2005. Student numbers are as recorded on 31 December 2005 unless otherwise stated.

Full-time equivalent (FTE) student numbers include part-time students counted pro-rata to full-time.

Home and EU $(H / E U)=$ students from the UK and European Union. Overseas $(0 / S)=$ students from non-EU countries.

The classification of EU students has been amended to reflect the expansion of the EU in 2004.

Departments have been named in full wherever possible.
Exceptions are as follows:

- IC Parc is the Centre for Planning and Resource Control - CHOSTM is the Centre for History of Science, Technology and Medicine

Staff numbers are as recorded on 31 December 2005, and FTE staff numbers are calculated according to actual contracted time.

The structure of the Faculty of Life Sciences has changed. Thus some statistics are shown in the previous Faculty of Life Sciences structure or at faculty level only.

The front cover shows Imperial College's total income, broken down by source, from the years 1997-98 to 2004-05.

Issued by the Strategy and Planning Division, Imperial College London, South Kensington campus,

| Total | 8,050.0 | 2,081.5 | 1,756.2 | 11,887.7 | 2.7 | 14.0 |

FTEs exclude the seven Imperial College Union sabbatical officers registered as taught postgraduates.
Figures include occasional students.

Student load is the full-time equivalent teaching load undertaken by a department, taking account of service teaching supplied to and received from other departments. Short courses are excluded. Occasional student load is included.
Staff numbers are inclusive of all sources of funding.
The Student:Staff Ratio is the ratio of student load to academic staff. Numbers for Humanities include Translation Studies.

Applications and admissions as at 28 September 2005.
Registrations include occasional students.
A level and tariff scores are based on the best three grades.
For the tariff score $A=120, B=100, C=80, D=60$ and $E=40$.
