31 January 2008

COLLEGE NOTICE

RESEARCH OFFICE

With effect from 1 February, Dr John Green will assume responsibility for directing the Research Office and will report to the Rector. Dr Green's responsibilities will include Research Operations, Research Support and Compliance, and Research Contracts.

Research Manager, Dr Celia Caulcott, who has been directing the Research Office in an acting capacity will report to Dr Green. Professor Nagy Habib, Pro-rector for Commercial Affairs, will continue to be responsible for all commercial activities including Business Development, the Energy and Environment Office and Drug Discovery Programmes and will remain a member of the College Research Strategy Group.

Rodney Eastwood
College Secretary
