Week 1	Weeks 2-4	Weeks 5-6	Weeks 7-9	Week 10	Week 11
--	Teaching & Coursework			Revision	Exams
		Update Credit Modules			
Project Briefing	Select Project				

Passing Your MSc

→ You must pass NINE modules

→ You must pass the project

→ You have two attempts at everything

→ Second attempts are capped

Term 1 (Autumn)

Week 1	Weeks 2-9		Week 10	Week 11
Induction	Teaching & Coursework		Revision	Exams

Exams

→ Most of the mark for a module

→ At end of each term

→ In person, mostly written

This week

→ Freshers Fair

→ Meet Personal Tutor

→ Register with GP

→ Register with Careers

→ Get to know each other

Getting Started

1. Register for modules that interest you
2. Start attending them
3. Choose which to stick with

Step 1: Register for Modules. NOW!

→ Use departmental system at
https://infosys.doc.ic.ac.uk/internalreg/

→ Gives you access to module resources

→ Start reading ahead

→ Does not commit you to anything

Step 1: Register for Modules. NOW!

→ Level 0: no registration

→ Level 1: access to resources

→ Level 2: submit work

→ GO FOR LEVEL 2

Timetable clashes

→ Amount of choice means clashes inevitable

→ Two clashing modules cannot both be taken

→ The system will prevent registration (L2)
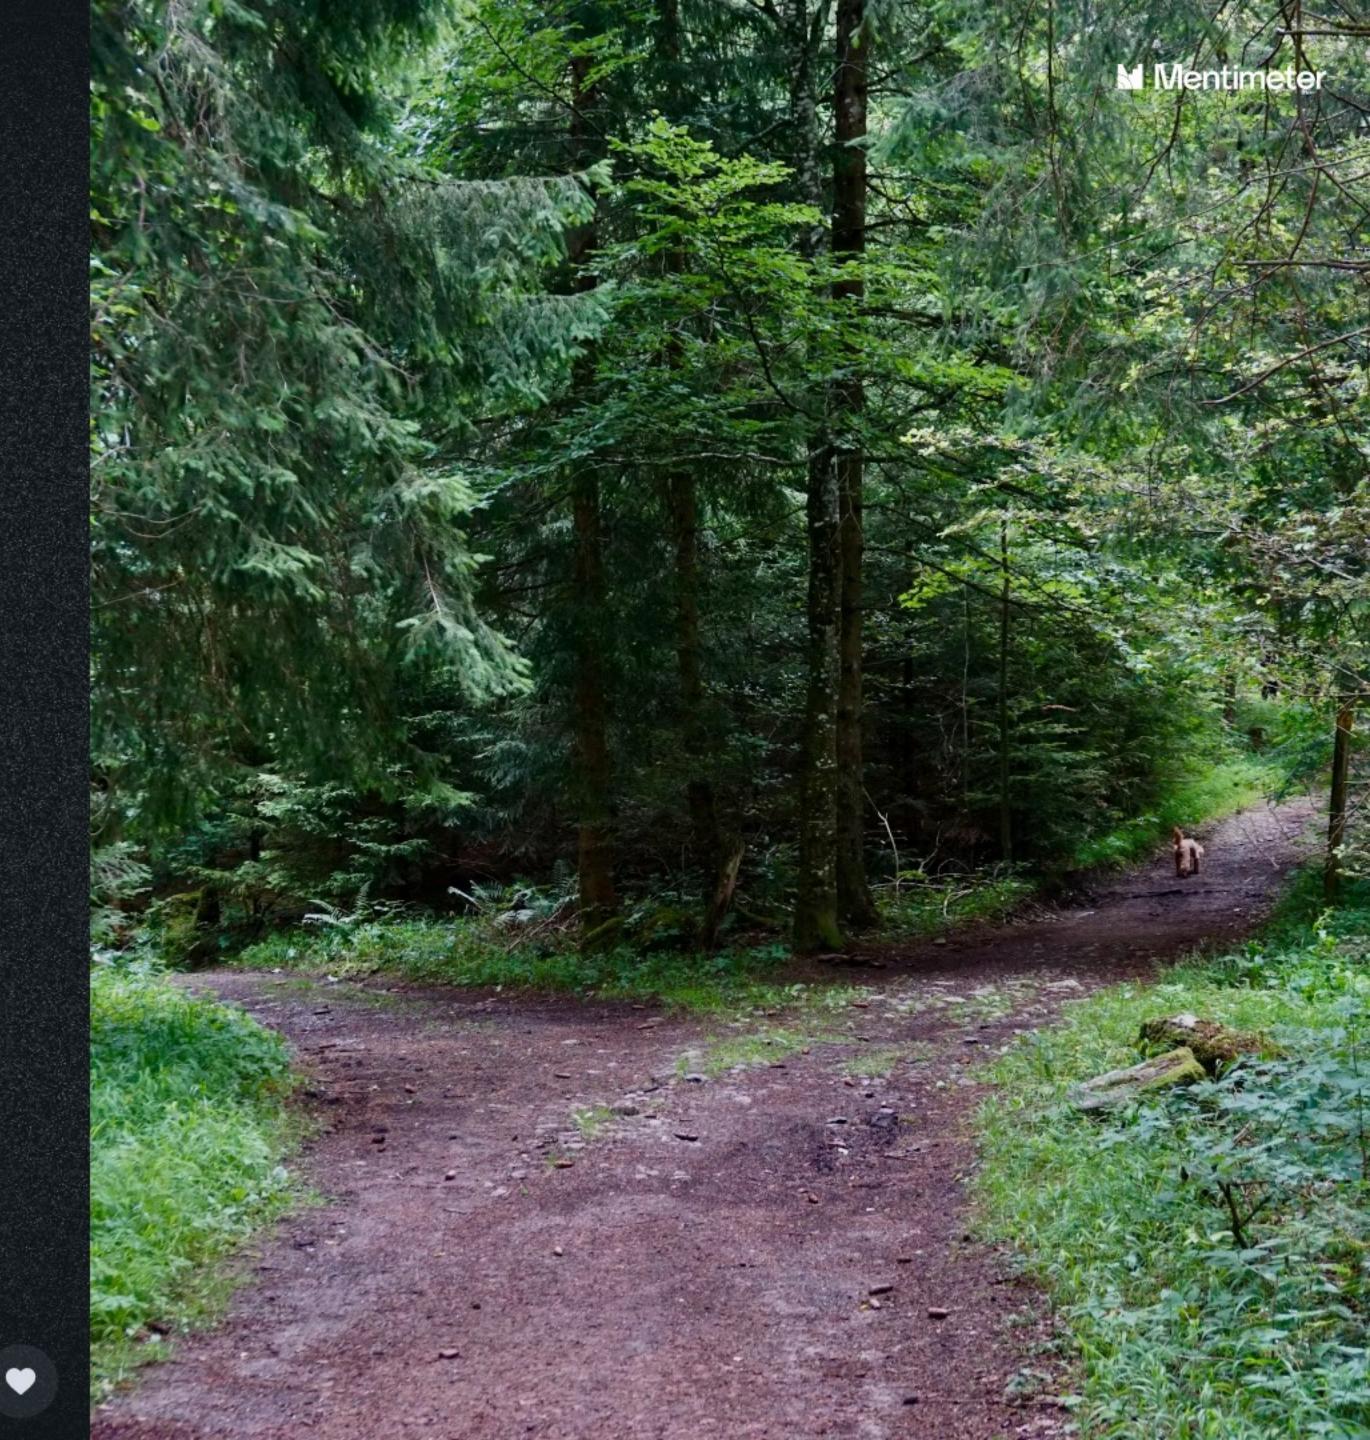

→ Check your selection is accepted (L2)

# Step 2: Attend Courses

→ Teaching starts next week

→ Videos, notes, exercises: Scientia

→ Attend any sessions you want

→ If you have questions: Ed Boards

Step 3a: Keep Going to Enough

→ Either 4 or 5 modules this term

→ Need to satisfy regulations

→ Critical part is Term 1 + Term 2

→ 9 credit taught modules

→ At least 6 compulsory/selective

Step 3b: Credit Registration

→ **Now:** check selection using Level 2

→ Select all 9

→ Later: move modules to Level 3

→ Level 3 can be changed up to Feb

COMPM0577 MSc Orientation

→ Two "exercises" to complete this week

→ Practice submitting work

→ Lab session on Thursday

→ Do Exercise 2 in the lab

Actions!

→ Register for COMPM0577 NOW

→ https://infosys.doc.ic.ac.uk/internalreg/

→ Select Level 2

→ Find Exercise 1 in Scientia and complete it
