

Imperial College London

THE GEORGINA MACE CENTRE FOR THE LIVING PLANET

Bugs, Birds and Beasts Day at Silwood Park

25 July 2023, 12:00 – 17:00

Imperial College London, Silwood Park Campus, Buckhurst Road, Ascot SL5 7PY

Discover an amazing natural world

Come to a day of free and exciting events for all the family at Imperial College London's Silwood Park campus.

Join us and find out how bugs, birds and beasts enrich our lives: watch live bird eggs develop and hatch, marvel at falconry displays, take part and discover wonderful facts about the creatures all around us on bug hunts.

There's something for everyone, from pond-dipping to Jurassic Lab exhibits.

BBQ and refreshments available or bring your own picnic!

Limited parking available.

The Georgina Mace Centre for the Living Planet, an Imperial Multi-Faculty Centre of Excellence, is named after Professor Dame Georgina Mace FRS, one of the most prominent ecologists and conservation biologists of recent times. This international hub works towards addressing key environmental challenges in a collaborative manner, acting as an interface between science, practitioners and policy makers.
