Section A: to be completed by the student before meeting with the supervisor

1. Supervision
   - Contact with your main supervisor: (select frequency)
   - Are you satisfied with the level of assistance/supervision you receive? (select answer)
     If you select No, your supervisor will not see your response to this section

2. Please describe your achievements to date and indicate if there have been any delays/unexpected problems with your research.

3. Please give details of your immediate (6 months) goals.

4. Please give details if you envisage delays/problems in writing up the thesis

5. Please give details of any papers and abstracts pertaining to your project submitted or published in the last six months (including authors, journals, dates, etc.).

6. Have you discussed this form, including a schedule of work, with your supervisor(s)?

7. Please indicate your student registration plans after completing 3 years (full-time) or 5 years (part-time).
   - My scholarship/funding is in place to extend my student registration by 6 months, and then enter the writing up stage for the last 6 months of my final year.
   - I am ready to move on to ‘writing-up’ stage for the entire final year.
     - Completing Research Status (CRS) – one-off £200 fees for the entire year, normally paid by the scholarship sponsor
     - Writing Up Away From College Status (WUAC) – no fees for the entire year – but also no college registration

8. Please indicate the date by which you expect to submit your thesis:
   (the date you indicate here is not binding; it is just so the system generates as email to you reminding you about the examination entry form on your final year).

9. Do you have sufficient funding to cover your living costs from the end of the scholarship agreement until the submission date?
   (if your answer is NO, you will be asked to indicate how you plan to meet your living costs after your funding ends. If you are not sure, please discuss it with your supervisor + section tutor and indicate the plan of action below)
Section B: to be completed by the supervisor

1. Comment on the student progress

2. Comment on any problems/difficulties with the research

3. Please indicate the student registration plans after completing 3 years (full-time) or 5 years (part-time).
   - Funding in place to extend student registration by 6 months, and then enter the writing up stage for the last 6 months of my final year.
   - Student is ready to move on to ‘writing-up’ stage for the entire final year.
     - Completing Research Status (CRS) – one-off £200 fees for the entire year, normally paid by the scholarship sponsor
     - Writing Up Away From College Status (WUAC) – no fees for the entire year – but also no college registration

4. Please indicate the student estimated date to submit the thesis:
   (the date you indicate here is not binding; it is just so the system generates an email to you reminding you about the examination entry form in the final year).

5. Does the student have sufficient funding to cover their living costs from the end of the scholarship agreement until the submission date?
   (if your answer is NO, you will be asked to indicate what plans and provisions have you made with the student to ensure they can meet their living costs after their funding ends)
