White City Campus is Imperial College London’s major new campus in West London, bringing together world-class researchers, businesses and partners to work, share ideas and turn cutting-edge research into benefits for society.

The Construction Update provides news and information about building works and upcoming construction activities on campus.

BUILDING UPDATES

North site

**Residential Tower**

Joinery, dry lining and fit-out works continue across multiple floors of the building. Throughout August, contractors Laing O’Rourke will continue to progress the hard landscaping works around the base of the Residential Tower.

**Sir Michael Uren Biomedical Engineering Research Hub**

Internal construction works are nearing completion and are expected to be finished in early August. Contractors ISG are now turning on the building’s heating, air conditioning and lighting systems and checking they are in good working order. External landscaping and paving works are also ongoing.
**BUILDING UPDATES**

**South site**

**Scale Space**
The construction of the roof of the first Scale Space building is nearing completion, while the installation of rain cladding started in late July. Preparations for the next Scale Space building, known as Building B, are also underway and works are expected to begin in late September.
