

## What do Imperial Mathematics graduates do?

| Overview                                    | 2022 | 2023 | 2024 |
|---------------------------------------------|------|------|------|
| Entered Employment                          | 50%  | 59%  | 69%  |
| Entered Further Study/Training              | 33%  | 23%  | 19%  |
| Seeking Employment                          | 6%   | 12%  | 1%   |
| Not Available for Employment/Study/Training | 11%  | 6%   | 11%  |

| Sector of employment entered           | 2022 | 2023 | 2024 |
|----------------------------------------|------|------|------|
| Agriculture                            | 0%   | 0%   | 0%   |
| Mining and Quarrying                   | 0%   | 0%   | 0%   |
| Manufacture                            | 0%   | 4%   | 0%   |
| Electricity, Gas, Water                | 0%   | 0%   | 0%   |
| Construction                           | 0%   | 0%   | 0%   |
| Wholesale and Retail Trade             | 0%   | 2%   | 0%   |
| Transport and Storage                  | 0%   | 2%   | 0%   |
| Accommodation and Food Services        | 0%   | 0%   | 2%   |
| Information and Communications         | 22%  | 11%  | 14%  |
| Financial and Insurance                | 45%  | 58%  | 41%  |
| Real Estate                            | 0%   | 0%   | 0%   |
| Professional, Scientific and Technical | 11%  | 10%  | 17%  |
| Admin and Support Services             | 0%   | 0%   | 0%   |
| Public Admin and Defence               | 0%   | 0%   | 2%   |
| Education                              | 11%  | 2%   | 8%   |
| Human Health and Social Work           | 0%   | 0%   | 0%   |
| Arts, Entertainment and Recreation     | 0%   | 0%   | 2%   |
| Other services                         | 0%   | 0%   | 13%  |
| Not coded                              | 11%  | 11%  | 1%   |

Examples of employers and occupations for Mathematics graduates who entered employment:

| Examples of employers                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | Examples of occupations                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
