Law and ethics in paediatrics

12 - 13 February 2020

To register visit:

www.imperial.ac.uk/cpd/lawethics

Course details:

Duration: 2 days

Fees: £395 for Doctor

£300 for Nurses / AHPs

Venue: St Mary's Campus

A two day course looking at Medical Law and Ethics as applied to Paediatric practice, with a particular emphasis on the legal principles, professional guidance and problem solving.

Course participants will acquire basic knowledge of medical law and ethics relating to all aspects of paediatric practice. Problem-solving skills necessary to solve practical problems will be developed and honed through open discussion of difficult cases.

Topics covered will include: Negligence • Confidentiality • Child protection • Research • End of life care • Organ donation • Reporting of deaths and the Coronial process

The course includes a visit to Westminster Coroner's Court.

Who should attend?

The course would be of interest to paediatricians, lawyers, paramedical staff, medical and law students.
