Celebrating the achievements of our community

The President’s Awards for Excellence, the Provost’s Awards for Excellence and the Imperial Garden Party 2021

Tuesday 15 June 2021
Welcome.

It is a pleasure to welcome you to the annual President’s Awards for Excellence, Provost’s Awards for Excellence and Imperial Garden Party.

Our special occasion was held virtually in 2021, to celebrate our staff and students who have been nominated by their peers and colleagues for their vital contributions to the College. This includes recipients of the President’s Awards for Excellence, the Provost’s Awards for Excellence, the Julia Higgins Awards, Garden Party nominees and Student Union awardees.

We recognise our staff and students who have shown tremendous commitment to their colleagues and students, and who have overcome challenges whilst working across our campuses and from home over the past year. As you read the brief descriptions of their achievements in this booklet, I am sure that you will be as impressed as I am by the many ways they have made the College an exciting place to study, a rewarding place to work and a beacon of hope for the future.

Congratulations to everyone honoured and thank you to those who took the time to nominate an excellent colleague. Your achievements and community spirit inspire us, and I am proud to be your colleague.

Professor Alice P. Gast

Thank you to our Student Ambassadors

The extraordinary students who take on the responsibility of becoming Student Ambassadors are an essential part of the Imperial community. Our ambassadors represent the College at Open Days, lead on campus tours, greet delegations of international visitors, blog about their experiences and give student life talks in schools. They help us to connect with visitors and inspire our future students.
