

# IMPERIAL

Are you a Year 12 student  
studying Chemistry or  
Physics?

Are you looking to study a  
STEM subject at  
university?

## Accelerate

The **Accelerate** programme offers support to students looking to study a STEM subject at university and prepares you for the transition to higher education through:

- **Regular tutorials** with an Imperial student
- **Information sessions** on topics like student finance
- **Personal statement** support, guidance and much more!

**APPLY NOW**
