

Register of Collaborative Provision

For more information about the type of collaborative activity please refer to the taxonomy in the [Guidelines for Establishing and Reviewing Collaborative Provision](#)

Type	Partner(s) and Location	Award and Programme Title (if applicable)	Level	Awarding Body	Faculty	Department	Responsibilities of Imperial	Responsibilities of Partner	Status
Imperial Recognised Location	Francis Crick Institute UK	PhD Crick Studentship	PGR	Imperial	Engineering / Natural Sciences		Responsible for quality and standards	Co-supervision	Active
Joint Award	Nanyang Technological University (Lee Kong Chian School of Medicine) Singapore	MBBS	UG	Imperial and NTU	Medicine	Medicine	Jointly responsible for quality and standards	Jointly responsible for quality and standards	Active
Collaborative Imperial Award	Natural History Museum UK	MSc Taxonomy, Biodiversity and Evolution	PGT	Imperial	Natural Sciences	Life Sciences	Jointly responsible for quality and standards Jointly responsible for curriculum Lead administrative party	Jointly responsible for curriculum Responsible for delivery of teaching and resources	Active
Collaborative Imperial Award	Natural History Museum UK	MRes Biosystematics	PGT	Imperial	Natural Sciences	Life Sciences	Jointly responsible for quality and standards Jointly responsible for curriculum Lead administrative party	Jointly responsible for curriculum Responsible for delivery of teaching and resources	Active

Type	Partner(s) and Location	Award and Programme Title (if applicable)	Level	Awarding Body	Faculty	Department	Responsibilities of Imperial	Responsibilities of Partner	Status
Collaborative External Award	Royal College of Art UK	MRes Healthcare and Design	PGT	RCA	Medicine	Surgery and Cancer	Imperial responsible for Module 1b Introduction to Healthcare, Module 3 a health research tool kit, Module 5 Innovation, Module 6 Helix Design Dash, Module 7 Designing for behaviour change and Module 8 Leadership Shared marking of collaborative modules (Imperial lead institution for collaborative modules)	RCA responsible for the quality and standards of the Shared marking of collaborative modules (Imperial lead institution for collaborative modules) Possibility of projects co-supervised by Imperial (the primary supervisor would be from RCA)	Active
Collaborative Imperial Award	Royal College of Art UK	MSc Healthcare and Design	PGT	Imperial	Medicine	Surgery and Cancer	Imperial responsible for the quality and standards of the award and for Imperial owned modules which are also taught on the RCA's MRes in Healthcare and Design Shared marking of collaborative modules Possibility of projects co-supervised by RCA (the primary supervisor would be from Imperial)	RCA responsible for Module 1a – Introduction to design and innovation	Active
Double Award	Royal College of Art UK	MSc and MA Innovation Design Engineering	PGT	Imperial and RCA	Engineering	Dyson School of Design Engineering	Jointly responsible for quality and standards	Jointly responsible for quality and standards Lead administrative party	Active
Double Award	Royal College of Art UK	MSc and MA Global Innovation Design	PGT	Imperial and RCA	Engineering	Dyson School of Design Engineering	Jointly responsible for quality and standards	Jointly responsible for quality and standards Lead administrative party	Active
Joint Award	Royal College of Music UK	BSc Physics and Music Performance	UG	Imperial and RCA	Natural Sciences	Physics	Jointly responsible for quality and standards Lead administrative party	Jointly responsible for quality and standards	Active

Type	Partner(s) and Location	Award and Programme Title (if applicable)	Level	Awarding Body	Faculty	Department	Responsibilities of Imperial	Responsibilities of Partner	Status
Joint Award	University College London UK	MSc Transport MSc Transport with Business Management	PGT	Imperial and UCL	Engineering	Civil and Environmental Engineering	Jointly responsible for quality and standards	Jointly responsible for quality and standards Admissions	Active
Collaborative Module Agreement	University of Edinburgh UK	PGDip/MSc Digital Health Leadership	PG	Imperial	Medicine	Medicine	Responsible for quality and standards	Co-delivery of modules 3, 4 and 5	Active
