COLLEGE NOTICE

HEAD OF THE DIVISION OF NEUROSCIENCE AND MENTAL HEALTH

The College is pleased to announce the appointment of a new Head of the Division of Neuroscience and Mental Health in the Faculty of Medicine. Professor Lefkos Middleton MD will take up this role on 1st October 2007.

Professor Middleton brings over 25 years of experience in clinical neurology and, in recent years, of senior management in a large pharmaceutical research organisation. He has gained an international reputation for his contribution to gene mapping and the classification of several neuromuscular diseases and ataxias and, more recently, in complex traits and population genetics.

Professor Middleton will succeed Professor Julia Buckingham who, as already announced, has been appointed Pro-Rector (Education) with effect from 1st October 2007.
