COLLEGE NOTICE

OPERATIONAL EXCELLENCE PROGRAMME DIRECTOR

Mr Marc Gray joined the College as Operational Excellence Programme Director on 29 June 2015.

Reporting to the Provost, Marc will direct and oversee the development and implementation of a growing number of Operational Excellence (OE) projects and programmes. Current projects already in progress include the Student Information Management Programme (SIMP), eRecruitment, Library Services Projects, the Space Programme, and the Building Maintenance Project.

Marc joins the College from BAE Systems, where he spent 15 years in a variety of roles leading complex change and improvement programmes across engineering, operations and support services businesses, both within the UK and internationally.
