## **COLLEGE NOTICE**

### **HEADS OF DEPARTMENT, FACULTY OF ENGINEERING**

---

The Faculty of Engineering has made the following Head of Department appointments.

#### **HEAD OF THE DYSON SCHOOL OF DESIGN ENGINEERING**

Professor Peter Cheung, Professor of Digital Systems, has accepted appointment as Head of the Dyson School of Design Engineering with effect from 1 November 2019, for an initial period of five years. He succeeds Professor Peter Childs.

Professor Cheung served as Vice-Dean (Education) of the Faculty of Engineering between 2011 and 2015, and Head of the Department of Electrical and Electronic Engineering from 2008 to 2015.

His research interests include Field Programmable Gate Arrays (FPGA) and reconfigurable computing; high level synthesis and hardware/software codesign for reconfigurable systems; reconfigurable architectures for signal and image processing and processor variability and reliability, particularly related to FPGA technologies.

#### **HEAD OF THE DEPARTMENT OF MECHANICAL ENGINEERING**

Professor Michael Lowe, Professor in Mechanical Engineering, has accepted appointment as Head of the Department of Mechanical Engineering with effect from 1 October 2019, for an initial period of five years. He succeeds Professor Peter Cawley.

Professor Lowe is currently the Head of the Applied Mechanics Division and Deputy Head of the Department of Mechanical Engineering, with specific management responsibility for the teaching activities of the department.

Professor Lowe's research is in Non Destructive Testing (NDT), with particular interests in structure-guided ultrasound, wave theory, and analytical and numerical modelling. Professor Lowe was elected a Fellow of the Royal Academy of Engineering in 2014.
