Including research in the Qatar Carbonates and Carbon Storage Research Centre.

The fees for continuing students that are based on the UK Research Council fee of £4,327.00 will increase annually by the GDP deflator, fees for other students will increase annually by the RPI value for April in the calendar year the session commences rounded to the nearest £50 and subject to a cap of the new-entrant fee for that session.

Fees for future years of study may be higher than the fees listed here.

Students undertaking research on a part-time basis will be charged half the full-time fee.

DSc registration fee			£	1,000.00	
Re-Examination Fees ¹					
Undergraduate Student	s				
Re-Entry Fee (for students repeating examinations without attendance at the College) ²					
Re-Entry with Revision Fee (for students repeating examinations and registered as in attendance at the College during the Summer Term) ²					
Postgraduate Students					
Special Qualifying Exami	nation		£	120.00	
Re-Entry Fees	MRes/MPH/MSc/MBA/DIC	Re-Entry Fee	£	200.00	
Re-Ellily rees	MPhil/PhD/DIC	Re-submission fee		270.00	
Additional charge for tak	ing a postgraduate degree examination overseas		£	300.00	

¹ The sessional fees for all programmes include one entry to all required examinations. Undergraduate students that are unsuccessful in their first attempt at an examination may additionally be entitled to resubmit themselves for examination in a sessional qualifying test within the same session, in these circumstances, no fees are payable for entry to the sessional qualifying test.

² Undergraduate students that have been unsuccessful in their first attempt at an examination and also in any relevant sessional qualifying test will not be able to graduate or progress to the next year of the programme; these students may be permitted to re-enter the examinations in the following year. The Re-Entry Fee covers entrance to the examination only, the candidate will not have access to College facilities other than for the time of the examination itself; the Re-Entry with Revision Fee covers entrance to the examination and registration as a student of the College for the summer term granting the candidate full access to College facilities during this period.

¹ Oxbridge entrants and students undertaking an intercalated BSc will be charged based on their year of entry to their original institution.

The fees for Home/EU Students are controlled by the UK Government according to the funding model under which the student started their course of study and may increase annually by the inflationary measure set by the Government (currently RPIX).

Fees for future years of study may be higher than the fees listed here.

 $^{^{\}rm 1}$ Conversion fee - students must first have completed the PGCert

The fees for continuing students are calculateded against the full time equivalent fees which will increase annually by the RPI value for April in the calendar year the session commences rounded to the nearest £500 and subject to a cap of the new-entrant fee for that session. The fees for each element are then recalculated based on the funding model in place for each cohort.

Fees for future years of study may be higher than the fees listed here.

 $^{^{\}rm 2}$ Conversion fee - students must first have completed the PGDip

³ The full-time and part-time PGCert are both completed within the same academic year and so are charged at the same rate.

⁴ There are two streams to the PGCert, students may exit with a PGCert by completing either of the streams and a PGDip by completing both streams, the PGDip fee listed here is for the full PGDip and incorporates the PGCert fee.
