¹ 2016 Cohort will be charged £3,267.00.

The fees for continuing students that are based on the UK Research Council fee of £4,195.00 will increase annually by the GDP deflator, fees for other students will increase annually by the RPI value for April in the calendar year the session commences rounded to the nearest £50 and subject to a cap of the new-entrant fee for that session. Fees for future years of study may be higher than the fees listed here.
