

IMPERIAL

Staff Recognition Awards and Garden Party

Wednesday 8 July 2026

Welcome

Welcome to the annual Staff Recognition Awards and Imperial Garden Party.

As we reflect on the past year, we acknowledge the hard work and dedication of staff and students across Imperial. Everything we have achieved has been made possible through your collective efforts.

Today, we celebrate individuals and teams whose extraordinary contributions have been recognised by their peers. Their achievements remind us that much of the work that drives meaningful progress often happens quietly, yet has a profound impact.

It is a pleasure to honour the recipients of the President's Awards for Excellence, the Provost's Awards for Excellence, the Julia Higgins Awards, the Garden Party nominees and the Student Union Awards.

Our thanks go to everyone who took the time to nominate a colleague, team or student. The breadth and quality of the nominations reflect the remarkable talent, commitment and generosity that exist across Imperial.

Those recognised in these pages have advanced knowledge and innovation, championed our values, delivered outstanding service and strengthened our community through their professionalism, creativity and collaboration.

As you read about their achievements, we hope you will be inspired by the many ways they help make Imperial an exceptional place to learn, discover, work and thrive.

Thank you to our Student Ambassadors

The extraordinary students who take on the responsibility of becoming Student Ambassadors are an essential part of the Imperial community. Our ambassadors represent the College at Open Days, lead on campus tours, greet delegations of international visitors, blog about their experiences and give student life talks in schools. They help us to connect with visitors and inspire our future students.
