

WE CHALLENGE YOU

Question – A Happy accident...

BEFORE
one 40KG weight

AFTER
four fragments

With my four fragments I can weigh
each whole number of kg from 1 to 40.

How much do they each weigh?

INTERESTED?

It doesn't matter where you're from. **It's what you can do that counts.**

Imperial College London is offering a **FREE online Further Maths programme** to help Year 12 students from under-represented backgrounds achieve A* grades and enter university.
