Pathways to Medicine - Eligibility criteria – 2020 entry

Academic criteria

We are looking forward to seeing applications from Y11 students with a passion for science and medicine, as demonstrated in their personal statement. Students also need to meet the following academic requirements:

- be taking GCSE exams in summer 2020
- be studying at least eight GCSEs (or equivalent)
- Be on track to achieve a minimum of 5 GCSEs at grades 7-9 (including maths and sciences)
- Be on track to achieve a minimum of a grade 5 in GCSE English Language
- be considering studying science in their post-16 studies (including Chemistry)
- be considering studying medicine in their post-18 studies
