We run a free events programme throughout the year where you can socialise with your friends and get to know your neighbours. Whether it is learning a new skill, trying something different, or showing off your competitive side, our fun and varied programme will provide the best memories.

**“You get to know everyone after a couple of months. It’s like you’ve known them your whole life”**

Hosting unique and enjoyable experiences is important to us. Our team work hard to provide you with a bespoke programme of events that’s tailored to you and your village.

We’re passionate about supporting you and creating a safe and welcoming community atmosphere where everyone can relax and enjoy their down time outside of university.

Whether you want to enjoy a comfortable and relaxing study setting, or you’re looking for a lively evening to socialise, there will be an event for you. Expect BBQs, games tournaments and movie nights to name a few, there’s a wide variety of activities for you to get stuck into.

Got an idea for an event? We welcome our residents’ feedback and encourage new ideas. We’d even be happy for you to host it! Get your friends, sport teams or course peers on board and get organising!
