Getting Started

1. Register for modules that interest you
2. Start attending them
3. Choose which to stick with
Step 1: Register for Modules. NOW!

→ (Step 0: Complete college Online Registration)
→ Then use departmental system at https://infosys.doc.ic.ac.uk/interna1reg/
→ Gives you access to module resources
→ Does not commit you to anything
Step 1: Register for Modules. NOW!

- Level 0: no registration
- Level 1: access to resources
- Level 2: submit work
- GO FOR LEVEL 2
Step 2: Attend Courses

➤ Teaching starts next week
➤ Videos, notes, exercises: Scientia
➤ Attend any sessions you want
➤ If you have questions: Ed Boards
Step 3a: Keep Going to Enough

- Either 4 or 5 modules this term
- Need to satisfy regulations
- Critical part is Term 1 + Term 2
- 9 credit taught modules
- At least 6 compulsory/selective
Step 3b: Credit Registration

- **Now:** check selection using Level 2
- **Select all 9**
- **Later:** move modules to Level 3
- **Level 3** can be changed up to Feb
Timetable clashes

- Amount of choice means clashes inevitable
- Two clashing modules cannot both be taken
- The system will prevent registration (L2)
- Check your selection is accepted (L2)
Any Questions?
