Dear Student,

Congratulations on receiving your offer to join us in the Materials department here at Imperial and we very much hope you'll be joining us soon. I'm aware this is a difficult time for all of you due to the extra challenges you're facing due to Covid-19, and I want to reassure you that we're more committed than ever to your future at Imperial.

**Latest information on changes**

You can find the latest information about the changes we are making in response to coronavirus (COVID-19) on our [website](#).

I hope you received our last letter with suggested activities – I hope they were informative and useful.

**Calls with our students**

We're sure you have lots of questions about what it's like to study Materials here and life in London. Who better to answer your questions than one of our current students? They would love to chat to you about their experiences and try to answer any questions you might have.

Our friendly students are available for 1 on 1 Skype calls, please sign up here to book a convenient time slot.
