J.P. Morgan Scholarship in Quantitative Finance for 2027/28

Eligibility criteria for MSc students:

The Scholarship shall be available to full-time postgraduate students demonstrating exceptional academic merit and/or potential, commencing an MSc in Mathematics and Finance at the College, and meeting one or more of the following criteria:

i. financially disadvantaged;

ii. of an underrepresented minority ethnicity;

iii. female;

iv. have a disability as defined at section 6 Equality Act 2010.

Value: The value of the Scholarship will be £45,100, to be used to fund the scholar's tuition fees. Any surplus shall be used to fund the scholar's maintenance costs and/or ancillary costs of the course of study.

Scholar Selection will be determined after offers have been accepted and deposits paid, if you would like to be considered, please state so on your application.

How to apply: If you satisfy one or more of the criteria above, have achieved academic merit and wish to apply please send your CV and a personal statement of 1 page describing your eligibility.

Please read and agree on:

1. The Imperial College student privacy notice link Privacy-Notice-for-Students-and-Prospective-Students.pdf (imperial.ac.uk).
2. As part of the process your application will be shared with JP Morgan.
   JP Morgan privacy policy:
   JPMorgan Chase and its affiliates (collectively, JPMC) may collect and request personal information via this system. You may voluntarily determine what information is submitted to this system. If you decide to provide such information, you expressly consent to the processing and transfer of your personal data, including any sensitive personal data, for all purposes in connection with recruitment, monitoring and performing analytics in support of our business processes, better supporting employee engagement and promoting diversity and equal opportunity within JPMC, as permitted by local law. JPMC operates globally and therefore any data submitted will be processed and disclosed for the purposes above in any country in which we conduct business or have a service provider.
