1. Access the course using the link provided and log in with your **Imperial College account**. If you use another account, your completion will not be recorded, and you will need to retake the course using your Imperial login.
2. Complete the course by **28 September**.
3. The course takes approximately **30 minutes** to complete and provides essential information on health, safety, wellbeing, and support services available while studying at Imperial.
4. Completion of the course is mandatory and will be monitored. Students who do not complete the course by the required date may have their access to departmental buildings removed.
5. If you experience any problems accessing the course, please contact fonssafety@imperial.ac.uk
