

A Quick Guide to the Learning & Teaching Development Programme

May 2017

The LTDP consists of 5 core requirements, all of which must be completed, unless a participant has been signed off by their Head of Department as being exempt:

Compulsory EDU Workshops x 4:

- STAR Introductory Workshop*
- Introduction to Teaching for Learning
- Introduction to Supervising PhD Students
- Introduction to Personal Tutoring

Compulsory FoNS Workshops x 4:

- FoNS Workshop 1- Departmental Teaching Practices
- FoNS Workshop 2- Lecturing Skills Overview
- FoNS Workshop 3- Learning Technologies for Teaching
- FoNS Workshop 4 Designing for Learning

Elective EDU Workshops x 3

Choose 3 workshops from those advertised here:

<https://www.imperial.ac.uk/staff/educational-development/workshops/>

Teaching Observation Sessions x 3

Completed using the LTDP Teaching Observation Form

HEA Application*

To be submitted once all above elements have been completed

Full information on the requirements of the LTDP, including workshop details and forms can be found online at:

<https://www.imperial.ac.uk/natural-sciences/education-and-teaching/fons-learning-and-teaching-development-programme/>

**If you commenced the LTDP prior to 2014/15, the requirements vary- please check the LTDP website.*
