

DOCTOR PARTICIPANTS NEEDED FOR RESEARCH ON PATIENT SAFETY & CLINICAL INFORMATICS

We are looking for doctors to take part in a study exploring their experiences using electronic health records (EHR) systems in the NHS, and its potential impact on patient safety and healthcare costs.

If you volunteer to partake in this study, your participation will consist of completing an online survey which will take approximately 10 minutes of your time.

The survey can be accessed by [clicking here](#) or scanning the QR code below with your mobile phone's camera app (iOS/Android compatible).
