Dear Professor Modi

Study title: iNeo: The International Network for Evaluating Outcomes of Very Low Birth Weight and Very Preterm Neonates: Collaborative Comparisons of International Health Services for Quality Improvement in Neonatal Care

REC reference: 13/SW/0339

Amendment number: 1

Amendment date: 06 October 2015

IRAS project ID: 133075

Thank you for your letter of 06 October 2015, notifying the Committee of the above amendment.

The Committee does not consider this to be a “substantial amendment“ as defined in the Standard Operating Procedures for Research Ethics Committees. The amendment does not therefore require an ethical opinion from the Committee and may be implemented immediately, provided that it does not affect the approval for the research given by the R&D office for the relevant NHS care organisation.
