

“Adapt and Thrive: Supporting the Student Transition to PGT Study in the Online Context”

Education Conference Online 2020

Margarita-Ioanna Koufaki

MSc in Genes, Drugs & Stem cells-Novel therapies

Challenges

- Technical issues
 - » Weak internet connection
- Lack of face to face interaction
 - » Harder to do networking
 - » Need for interpersonal relationships
- Self-discipline
 - » Need to manage your time wisely
 - » Hard to stay focus
- Computer literacy
 - » Not everyone is keen on/ familiar with technological advances

What help me the most.

- Online tech tools provided by Imperial.
- Online workshops, seminars and one to one sessions organized by careers service.
- Collaborated with Prof. Sara Rankin for [Imperial Covid-19 Lockdown Lessons](#).
- Classes organized by students' societies.

Keeping in touch !!!

- Interaction via social media and emails
- Weekly updates from both students and professors
- Regular catch-up meetings with the course about our progress

Advantages of online PGT study

Develop your resilience
and your computer
skills

Have more personal
time

Work on your own pace

Thank you for your attention !!
