

Student Life at Imperial

Justin Wilson (Biomedical Science student)

Imperial College School of Medicine

- Medical Biosciences will mainly be taught at the South Kensington and Hammersmith campuses.

Life in London

- Imperial is very centrally located.
- Shopping- Oxford Street, Westfield.
- World Class nightlife.
- ICSMSU, BiomedSoc and Societies run events throughout the year.
- Museums on Exhibition Road – all free!
- Living in London is costly but Imperial has great bursaries and scholarships to help all those who need it.

Societies

- **Work hard, play hard!**
- ~350 Clubs and Socs: easy to find people who share the same interest with you.
- Massive Variety
 - Cheese
 - Riding and Polo
 - Assassin's Guild
 - Bake Off Appreciation
- Vary in commitment.

Accommodation

- **Student Halls:**
 - South Kensington campus: Beit Hall, Prince's Gardens and Evelyn Gardens.
 - Notting Hill: Pembridge
 - Hammersmith campus: Woodward
 - Waterloo: Xenia
 - Paddington: Wilson
 - Putney: Boathouse

Imperial will change your life forever!!!
