

WARRIORS trial

Newsletter Issue 4

Trial Updates

- GCP R3 regulations are now in effect for the UK and amendments will now be referred to as Modifications. Minor Modification 2 to be submitted with Protocol v3.1 with clarifications to Schedule of Assessments.
- Belgium and New Zealand were activated on 1 April 2026.
- Netherlands SIV completed on 13 April 2026 and Finland SIV completed on 29 April 2026.
- Royal Derby SIV completed on 27 April 2026.
- Please ask participants at the time of randomisation if they would be willing to participate in the British Heart Foundation media campaign.

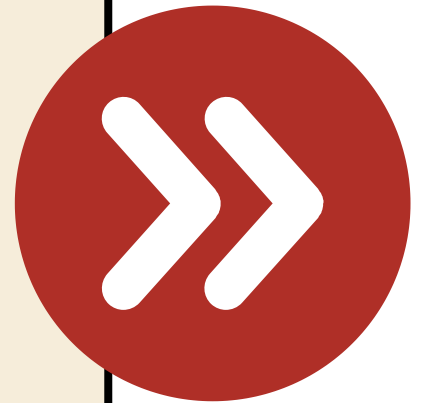

Reminders

- Registry and QRI patients do not count towards UK site accruals.
- Clarification regarding CT scans requirement- EVAR group needs 1 pre-op/baseline CT scan; Surveillance group needs 1 baseline CT scan and 1 scan either pre-op or at end of follow up period if no surgery took place.
- Please mention site name/number in email correspondence.
- All staff members on the trial will need to complete OpenClinica training, Florence eTMF training and provide CV and GCP documentation .

Up Next

- Sweden SIV scheduled for May 2026
- Hull SIV scheduled for May 2026 and Manchester SIV scheduled for June 2026
- Collaborator agreements are in progress for Norway, Sweden, Finland, Denmark, Ireland and USA
