

WARRIORS trial

Newsletter Issue 3

Trial Updates

- NSA02 to be submitted with Protocol v3.1 with clarifications to Schedule of Assessments
- Belgium Site Initiation Visit completed on 16March26 and will be activated in upcoming days
- New Zealand contracts finalised
- Our Funders, British Heart Foundation, are hoping to interview WARRIORS participants for media coverage of the trial - Please ask participants at the time of randomisation if they would be willing to participate in the media campaign
- Follow us on LinkedIn - www.linkedin.com/in/warriors-trial

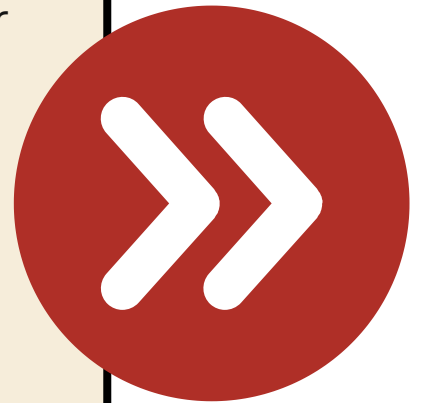

Reminders

- Clarification regarding CT scans required - EVAR group needs 1 pre-op/baseline CT scan; surveillance group needs 1 baseline CT scan and 1 scan either pre-op or at end of follow up period if no surgery took place.
- Please ensure your site name or identifying number is included in email subject line in all correspondence
- All staff members on the trial will need to complete OpenClinica training, Florence eTMF training and provide CV and GCP documentation before being granted access.

Up Next

- Royal Derby SIV scheduled for April 2026
- Netherlands SIV scheduled for April 2026
- Sweden SIV scheduled for May 2026
- Collaborator agreements are in progress for Norway, Netherlands, Sweden, Finland, Denmark, Ireland and USA
