

QFFF MSc Exam Schedule 2020

Particle Symmetries (Comp)	Mon. May 4, 10:00–14:00
Differential Geometry (Opt)	Wed. May 6, 10:00–14:00
Relativity and Cosmology (Opt)	Thurs. May 7, 10:00–14:00
Unification (Comp)	Mon. May 11, 10:00–12:30
QED (Comp)	Wed. May 13, 10:00–14:00
Supersymmetry (Opt)	Fri. May 15, 10:00–14:00
Quantum Information (Opt)	Mon. May 18, 14:00–16:30
General Relativity	Tues. May 19, 9:00–11:30
Quantum Field Theory (Comp)	Wed. May 20, 7:30–10:00
Standard Model & Beyond (Opt)	Fri. May 22, 10:00–14:00
Group Theory (Opt)	Tues. May 26, 10:00–12:30
Foundations of Quantum Mechanics (Opt)	Thur. May 28, 10:00–12:30
Quantum Theory of Matter (Opt)	Fri. May 29, 10:00–12:30
String Theory (Opt)	Mon. June 1, 10:00–14:00
Advanced Quantum Field Theory (Opt)	Wed. June 3, 10:00–14:00
Black Holes (Opt)	Fri. June 5, 10:00–14:00

All exams are to be completed remotely. Exam times shown include a 25% increase in view of the special circumstances this year. QFFF students may obtain credit for at most two Undergraduate (UG) exams. Particle Symmetries, Quantum Field Theory, QED and Unification are compulsory (Comp) exams in the QFFF course. Optional course exams are denoted (Opt).
