

## Welcome new starters

|  |  |   |  |  |
|--|--|---|--|--|
| Dr Rochan Agha-Jaffar, Medicine                          | Mr Ruggero Cortini, Chemistry                                  | Miss Shakira Hylton, Imperial College Union         | Miss Faye Murray, Aeronautics                    | Dr Prashant Srivastava, Medicine                           |
| Ms Catherine Ainsworth, Bioengineering                   | Mr Jason Coyne, ESE  | Mr Javier Igea de Castro, Life Sciences             | Miss Maxine Myers, Business School               | Dr Kevin Stacey, Life Sciences                             |
| Mr Delwar Al Monsur, Civil and Environmental Engineering | Dr Aubrey Cunnington, Medicine                                 | Dr Ilankoon Ilankoon, ESE                           | Dr Miguel Navarro-Cia, EEE                       | Ms Helen Stranding, Communications and Development         |
| Dr Pablo Albella Echave, EEE                             | Mr John Darby, Life Sciences                                   | Ms Sarah Jarvis, Bioengineering                     | Mr Boris Oklander, EEE                           | Ms Leila Steeds, Educational Quality                       |
| Dr Luke Allsopp, Life Sciences                           | Mrs Rebecca Darvell, Catering                                  | Ms Suzan Jeffries, Medicine                         | Mr Jack Olney, Public Health                     | Ms Wendy Steel, Faculty of Medicine                        |
| Dr Javier Andreu Perez, Computing                        | Mr Brian Daughton, Professional Development                    | Mr Michael Jones, Communications and Development    | Ms Diana O'Malley, Computing                     | Ms Sarah Stocker, Surgery and Cancer                       |
| Miss Amy Austin, Human Resources                         | Mr Daniel Davidsson, Medicine                                  | Dr Knud Jonsson, Life Sciences                      | Miss Maame Osei-Kyeremeh, Medicine               | Dr Chloe Stockford, Faculty of Engineering                 |
| Mr Wilbert Ayap, Medicine                                | Mrs Kristien De Wolf, Business School                          | Ms Rehnuma Kabir, Medicine                          | Dr Andreas Panayides Panagidis, EEE              | Mr Christopher Studd, Clinical Sciences                    |
| Miss Rani Bal, Faculty of Medicine                       | Dr Armando Del Rio Hernandez, Bioengineering                   | Dr Mark Kalisz, Medicine                            | Miss Maria Papatathanasiou, Chemical Engineering | Dr Roland Stumpf, ESE                                      |
| Dr Francesco Baldini, Life Sciences                      | Ms Antonia Desmond, Surgery and Cancer                         | Ms Iris Kammerer, Environmental Policy              | Ms Laavannya Paramanathan, Clinical Sciences     | Dr Gyorgy Szekely, Chemical Engineering                    |
| Miss Jessica Baldock, Chemical Engineering               | Dr Shane Duggan, Medicine                                      | Dr Shichina Kannambath, Medicine                    | Dr Elisa Pasqualetto, Life Sciences              | Dr Francesca Tallia, Materials                             |
| Mr Cliff Barnes, ICT                                     | Dr Hadi El Daou, Mechanical Engineering                        | Dr Prashant Kapadnis, Chemistry                     | Dr Rajesh Patel, Surgery and Cancer              | Ms Aynur Toraman, Humanities                               |
| Dr Helen Bayliss, Environmental Policy                   | Mrs Nidaa Eldosougi Nounou, Surgery and Cancer                 | Mrs Sabrina Kapur, NHLI                             | Ms Sarah Pearce, Faculty of Medicine             | Dr Iratxe Torre Martinez, NHLI                             |
| Mr Ryan Bayliss, Materials                               | Dr Austen El-Osta, Public Health                               | Dr Nadire Kavukcuoglu, Materials                    | Ms Maxine Pemble, Registry                       | Dr Andre Trindade Pereira, Physics                         |
| Dr Morgan Beeby, Life Sciences                           | Miss Guler Eroglu, EEE   | Mr Younis Khan, NHLI                                | Dr Juan Perez Bernal, Computing                  | Miss Caz Ulley, Communications and Development             |
| Mr Jason Bennett, ICT                                    | Miss Azenith Fernandes, Human Resources                        | Mr Hanme Kim, Computing                             | Dr Remi Peyronnet, NHLI                          | Dr Maria Valera Espina, Computing                          |
| Mr Taylor Bennie, Faculty of Medicine                    | Mr Claudio Ferraro, Materials                                  | Dr Andrew Knight, Life Sciences                     | Dr Sara Planamente, Life Sciences                | Dr Carline Van den Dool, Public Health                     |
| Professor Per-Olof Berggren, Medicine                    | Dr Isabel Ferreiros Vidal, Clinical Sciences                   | Ms Lisa Koch, Computing                             | Mr Thomas Pogiatis, Chemical Engineering         | Miss Rebecca Vanderkar, Human Resources                    |
| Mr Andy Blyth, Medicine                                  | Dr Sarah Field, Public Health                                  | Mr Peter Koekoek, Climate KIC                       | Mr Joe Prinold, Bioengineering                   | Mr Weikun Wang, Computing                                  |
| Dr Lies Boelen, Medicine                                 | Mr Andrew Fielder, Institute for Security Science & Technology | Mrs Diane Lambert, Surgery and Cancer               | Dr Inga Prokopenko, Public Health                | Ms Zhao Wang, Chemical Engineering                         |
| Mr Yakov Boglev, Faculty of Medicine                     | Mr David Fitzpatrick, Faculty of Medicine                      | Mr Giuseppe Laudani, EEE                            | Dr Bethan Psaila, Medicine                       | Mrs Caroline Ward, Surgery and Cancer                      |
| Miss Rebecca Brady, Surgery and Cancer                   | Miss Heather Ford, Medicine                                    | Mr James Lawson, EEE                                | Dr Boling Qiao, Medicine                         | Dr Mark Weatherall, Humanities                             |
| Miss Rebekah Brazier, Faculty of Medicine                | Dr Susan Francis, Medicine                                     | Ms Misha Levi, Imperial College Union               | Ms Julie Rahman, Registry                        | Dr Andrea Weisse, Bioengineering                           |
| Miss Sophie Brown, Faculty of Medicine                   | Dr Ville Friman, Life Sciences                                 | Miss Nan Li, Mechanical Engineering                 | Mr Umar Raja, ICT                                | Miss Carly Welton, Communications and Development          |
| Mr Timothy Brush, Surgery and Cancer                     | Dr Maria Gallina, Surgery and Cancer                           | Miss Judith Lieber, NHLI                            | Ms Ria Rana, Commercial Services                 | Miss Esther Wilkinson, Medicine                            |
| Dr Jorge Bures Amat, Chemistry                           | Miss Dominique Ganase, Faculty of Medicine                     | Ms Maria Llano Rodriguez, Computing                 | Dr Gillian Rea, NHLI                             | Dr David Wilson, ESE                                       |
| Dr Eoin Butler, Physics                                  | Miss Naomi Gardner, Faculty of Medicine                        | Mr Paolo Lo Giudice, Mechanical Engineering         | Ms Maxine Reid, Surgery and Cancer               | Dr Nicola Winstone, Medicine                               |
| Mrs Heather Campbell, Communications and Development     | Dr Melissa George, Physics                                     | Miss Ingrid Logan, Mechanical Engineering           | Dr Anna Reynal Verdu, Chemistry                  | Mr James Wood, CHOSTM                                      |
| Dr Daria Capece, Medicine                                | Mr Siamak Ghassemi, Surgery and Cancer                         | Mr Tony Low, Estates Division                       | Miss Johanna Rhodes, Public Health               | Mr Haydn Worley, Faculty of Medicine                       |
| Dr Mauro Carnevale, Mechanical Engineering               | Dr Abhijeet Ghosh, Computing                                   | Ms Monika Mac, Civil and Environmental Engineering  | Miss Eva Riboli-Sasco, Public Health             | Miss Megan Wright, Chemistry                               |
| Dr Francesca Ceroni, Bioengineering                      | Miss Sarmini Ghosh, Careers Advisory Service                   | Ms Rosa Macey, Chemistry                            | Miss Zoe Richardson, Imperial College Union      | Dr Shelby Yamamoto, Medicine                               |
| Dr Pauline Chabosseau, Medicine                          | Dr Kirsty Gibson, Chemical Engineering                         | Miss Flora MacTavish, Grantham Institute            | Miss Suzy Ridley, Surgery and Cancer             | Ms Nabila Youssouf, Faculty of Medicine                    |
| Ms Marion Chaix, Public Health                           | Dr Maria Giubilei, Life Sciences                               | Dr Luca Magnani, Surgery and Cancer                 | Dr Aindrias Ryan, Medicine                       | Dr Yao Yu, Medicine  |
| Mr Ping-Lin Chang, Computing                             | Dr Margarida Gouveia Sancho, NHLI                              | Dr John Mc Loughlin, Communications and Development | Ms Ksenia Ryzhenkova, Surgery and Cancer         | Mr Jiafei Zhang, Chemical Engineering                      |
| Mr Yen Chen, EEE   | Dr Charlotte Green, Medicine                                   | Miss Natalie McCarthy, Faculty of Medicine          | Mr Antonio Santos, Medicine                      | Mr Alireza Zolfaghari, Civil and Environmental Engineering |
| Miss Hannah Clapham, Public Health                       | Miss Lucy Handford, Communications and Development             | Mr Cal McLean, Medicine                             | Miss Sinead Savage, Surgery and Cancer           |  |
| Mr Callum Clench, Civil and Environmental Engineering    | Dr Ee Heng, NHLI   | Ms Fedelma McNamara, Faculty of Medicine            | Miss Sophie Sayers, Medicine                     |  |
| Ms Elizabeth Coles, Surgery and Cancer                   | Miss Gaelle Herledan, NHLI                                     | Mr Lukas Medisauskas, Physics                       | Dr Umang Shah, Chemical Engineering              |  |
| Miss Kate Colthurst, Imperial College Union              | Dr Kelly Heymer, Public Health                                 | Miss Eve Miguel, Public Health                      | Dr Yih Siaw, Surgery and Cancer                  |  |
| Mrs Grace Constantine, Medicine                          | Ms Kathryn Hicks, Institute of Global Health Innovation        | Mr Christopher Minas, Clinical Sciences             | Mr Efstratios Skordos, EEE                       |  |
| Dr Christopher Cordier, Chemistry                        | Miss Kerry Hillier, Medicine                                   | Dr Shivani Misra, Medicine                          | Mrs Rachel Slade, Medicine                       |  |
| Mr Gary Corral, Computing                                | Miss Lisa Holland, Estates Division                            | Ms Claire Moor, Educational Quality                 | Miss Isabelle Smith, Imperial College Union      |  |
|  | Dr Mohammad Hoque, Civil and Environmental Engineering         | Professor James Moore Jr., Bioengineering           | Mr Nicholas Snow, Imperial College Union         |  |
|  | Mrs Lauren Howells, Educational Quality                        | Dr Alastair Moore, EEE                              | Mr Panagiotis Sphicas, Mechanical Engineering    |  |
|  | Dr Ming Hu, Medicine   | Ms Emily Moore, Surgery and Cancer                  | Ms Anna Spragg, Faculty of Engineering           |  |
|  | Mr Tin-Yu Hui, Life Sciences                                   | Dr Deborah Morris-Rosendahl, NHLI                   | Ms Naomi Spurr, Surgery and Cancer               |  |
|  | Mr Stephen Hullock, Civil and Environmental Engineering        | Dr Jaita Mukherjee, Faculty of Medicine             |  |  |

This data is supplied by HR and covers staff leaving the College during the period 19 November–10 January. This data was correct at the time of going to press.
