Welcome to Imperial

We’re delighted to welcome you to our Open Day. We hope you’ll use your visit to ask questions, tour some of our world-class facilities and learn about the opportunities within and beyond your department(s) of interest.

More of the activities taking place today don’t require advance booking, we’ve also mentioned some student helpers who are happy to chat to you about life as a student at Imperial’s student community.

Also don’t forget to make time for the attractions on Imperial’s campus – see the opening hours for details of the world famous South Kensington Campus and neighbours.

FOR AN OVERVIEW OF WHAT MAKES AN IMPERIAL EDUCATION SPECIAL DON’T MISS THE WELCOME TENT when they arrive. Here’s how to do it:

1. Bring your booking barcode to the Welcome Tent. The barcode was generated by our online booking system when you booked your departmental session(s). It’s doesn’t print off at the time you can register so bring this into your booking at: imperial.ac.uk/study/visit/open-day.
2. We will scan your barcode to check you in. If you don’t have access to a printer you can scan your barcode on your mobile phone through printed versions work much better.
3. If you haven’t booked a departmental session(s) and don’t have a booking barcode we encourage you to visit the Welcome Tent when first arrive to check availability.
