Welcome to Imperial

We’re delighted to welcome you to our Open Day. We hope you’ll use your visit to ask questions, feel some of our world class facilities and learn about the opportunities available within and beyond your department(s) of interest.

Many of the activities taking place today don’t require advance booking, we’ve also mentioned lists of student volunteers who will be happy to chat to you about what it’s like to be part of Imperial’s student community.

But don’t forget to make time for the attractions on Imperial’s campus – see the ‘Local area’ section for details of the wider area around South Kensington and its nearby neighbourhoods.

WHEN YOU ARRIVE

CHECK IN AT THE OPEN DAY Welcome Tent, Queen’s Lawn

We encourage all visitors who have booked a departmental session to check in where possible. Here’s how to do it:

1. Bring your booking barcode to the Welcome Tent. The barcode was generated by our online booking system when you booked your departmental session. Please print it out or have it off at the time you can access it. Logging back into our booking system on the Open Day will allow you to access the departmental session.

2. We will scan your barcode to check you in. If you don’t have access to a printer you can scan your barcode on your mobile phone through printed versions work much better.

3. If you haven’t booked a departmental session and don’t have a booking barcode we encourage you to visit the Welcome Tent when first arrive to check availability.
