

Imperial College London Graduate School

Roundtable Debate on Are we developing and embedding inclusive practice?

20th October 2017 11am – 2pm (with lunch)
170 Queen's Gate, Imperial College, Exhibition Road, South Kensington SW7
<http://www.170queensgate.co.uk/>

Aim: The aim is to consider inclusivity in our programmes. How do we create programmes and a culture that enables all students, including those from under-represented groups, to participate in and benefit from our programmes.

Agenda

11:00 – 11:10 Introduction by chair: Professor Sue Gibson, Director Graduate School

11.10 – 11:30 Key note: [Developing and embedding inclusive practice, Prof Liz Thomas](#)

11.30 12:30 Open Discussion: [Where are we now in our practice?](#)

Opportunity for members to share current status from different organisations and viewpoints.

12:30-13:00 Lunch

13:00 -14:00 Open Discussion: [Future development of practice](#)

Opportunity for members to debate how do we approach change and development of our programmes and how do we ensure inclusivity.

14:00 Close
