Welcome to Imperial

We’re delighted to welcome you to our Open Day. We hope you’ll enjoy your visit and ask questions, tour some of our world-class facilities and learn about the opportunities within and beyond our courses.

Many of the activities taking place today don’t require advance booking; we’ve also recruited lots of student helpers who’d be delighted to chat about what it’s like to be part of Imperial’s student community.

Also don’t forget to make time for the attractions on Imperial’s campus – see the reverse of your invitation for details of the world famous museums we’re just 10 minutes away by underground with swift connections to the West End.

For an overview of what makes an imperial education special, don’t miss our Welcome Talk from our Vice-Principal, Professor Sir Michael hiMcIntyre and find out more about our South Kensington Campus.

Speak to staff and students on a one-to-one basis, collect printed information and find out more about life within and beyond our courses.
