Welcome to Imperial

We’re delighted to welcome you to our Open Day. We hope you’ll enjoy your visit to ask questions, tour some of our world-class facilities and learn about the opportunities within and beyond your department(s) of interest.

Many of the activities taking place today don’t require advance booking, so you can also enrol lots of student helpers who will be happy to answer questions about what it’s like to be part of Imperial’s student community.

Please remember to keep an eye out for the advertisements on Imperial’s campus.
